

Radio Workshop
Individual Assignment 2
Evan Downey
March 26th 2018

Script

Using a mixture of songs that all evoke the same feeling of summertime, beaches, and relaxation. The lyrics like “Summer Time is Finally Here”, “Some Beach, Some Where”, and “No Shoes, No Shirt, No Problems” literally convey this message. The mixture of country and tropical music add to the feeling the lyrics provide.

Action	Clip Name
